“ I so remember Ms. Moscati in the office at John F. Hughes School. I also remember as a young child, all of us having a picnic at her house. What a wonderful woman she was. Thoughts and prayers to all of her family. Donna Snyder Blenis

Those memories of her in the Hughes office are shared by many of us...It's great that she had such a long and fruitful life..with many graying "children" noting her passing and celebrating their moments with her.
