

## Lucille Marie (Hajdasz) Rodriguez

May 6, 2014

Lucille Marie (Hajdasz) Rodriguez, passed away in the comfort of her home on Tuesday, May 6, 2014, surrounded by her loving family.

She was born in Utica, the daughter of Kathleen R. (Mancuso) Hajdasz and the late Karl C. Hajdasz. Graduating from Ulster County Community College in Stone Ridge, NY, with honors, she made her children proud when she made the Dean's List each semester.

Our mother had a great career working with children throughout her life with UCP, Kingston Children's Home, and the Utica City School District. She especially enjoyed her time working with her friend, Linda Abel.

Our Mom was a strong woman, always doing for others, believing that they were more in need than she.

She will be remembered by five children, Mark and Carmen Hajdasz of PA, Richard D. Horstman, Gerald and Elssy Horstman, William Horstman, all of Utica, and Katherine and John Horl of Ellenville, NY. She is also survived by four brothers and a sister-in-law, David P. Mancuso of NYC, Patrick Hajdasz of Utica, Gary and Yolanda Hajdasz of TX, Karl Hajdasz of AK; her mother Kathleen R. Hajdasz; eleven grandchildren; four great grandchildren; beloved aunts, Olga Blazek and family, and Agnes Mancuso and family. She also leaves behind a lifelong, best friend who was like a sister to her, Jane Smith and family. She was preceded in death by a special uncle, Anthony Mancuso, Sr.; and two special cousins, Gaetano Camello, Sr., and Robert Albison, Jr. Her heart touched many, her love had no end. Now she's gone on her journey.

Will our broken hearts mend? We love you Mom! Til your loving arms can hold us again, we promise to be strong.

Lucille's Memorial Gathering will be held on Sunday from 11-12 noon at the Eannace Funeral Home, Inc., 932 South Street, corner of Hammond Ave.

*Mom, although you are not with us in person I know in my heart you will never leave our sides. You have given so much of your life to us and others through love and sacrifice and I thank you for passing that gift for caring on to your children, family and friends. With every good deed that is done by your children, the love and kindness that we share is a reflection of your love. Elssy, Rudy, Fausto, Jessie, Enrique. Myself and lastly your newest great grandchild Antonio will miss you dearly. But knowing that in our hearts that you will always be there for us shows how much love you have in your heart. For no distance or obstacle has ever gotten in the way of showing how determined you were to care for others. We love you mom and say hello to grandpa for me. Love always in our hearts eternally.*

“ I never thought that one person could love another as much as you showed love for me. From the first day you met me as a baby and then married my father you vowed to love me. You continued to love me through all the years that we were apart. You then vowed to bring the family back together again, to continue to love. In 2008 I was blessed and we did just that, reunite the family. That day my children gained a wonderful grandmother, my husband; a beautiful mother in law, and myself; filling the void I was missing in my life for so long. Although our time together as a family was limited, our love was not, and will not ever be. I love you Mom..I loved you then and I loved you now and will continue to love you. I was blessed to be by your side when God chose to take your hand and lead you home with him. I miss you so much Mom, that MY body aches but I know in my heart that now YOUR body no longer aches and is at peace. Please help me guide your grandchildren to grow up to be wonderful people and John and I to continue our journey together. Watch over us please... be our special angel. Love you mom, your daughter Kathy..till we meet again.

“ Mom, where do I start...The first day we met. Many family members were gathered in your home and each one told a personal life experience as a funny story. Each story funnier than the previous one. That day was the first time in my lifetime laughing for seven straight hours. Wow! Never knew that was possible. My cheeks and stomach ached for days. There were many more days of laughter that followed. I WISH I could turn back time and start this relation again. I wouldn't change a thing.

“ TO MY MOM....

EVERYDAY A CHILD IS BORN  
IN THE EVE AND IN THE MORN  
BORNE FROM A WOMAN FILLED WITH LOVE  
AND BLESSED WITH LIFE FROM GOD ABOVE  
THROUGH THE YEARS AS THE CHILD GROWS  
HE STUMBLES, FALLS AND TAKES HIS BLOWS  
LEARNING THROUGH SCHOOLING ALL THAT HE CAN  
TRYING TO SUCCEED IN BECOMING A MAN  
THROUGH ALL THIS TIME THERE IS SOMEONE NEAR  
TO WASH AWAY EACH SCRAPE AND TEAR  
SOMEONE TO CHASE AWAY THE FEAR  
SOMEONE WE KNOW IS ALWAYS THERE  
OTHERS MAY CALL HER BY HER GIVEN NAME  
BUT THERE IS ANOTHER JUST THE SAME  
AND NO WHERE CAN THERE BE ANOTHER  
TO REPLACE THE LOVE FROM A MOTHER  
SHE NEVER FAILS TO PULL YOU THROUGH  
THE TROUBLES THAT ENVELOPE YOU  
SHE GIVES ADVICE AND SHOWS THE WAY  
TO A BETTER AND MORE PROMISING DAY  
I KNOW THIS PERSON OF WHOM I WRITE  
AND SHE SHINES NOW WITH AN EVERLASTING LIGHT  
SHE HAS SEEN ME THROUGH THE GOOD AND BAD  
AND MADE ME SMILE WHEN I WAS SAD  
THIS SPECIAL PERSON WHOM I LOVE  
WAS CHOSEN FOR ME FROM GOD ABOVE  
AND I THANK DEAR GOD FROM ABOVE  
FOR THE MOTHER I HAD  
THE MOTHER I LOVE.

“ *So many memories, i remember being a kid and being excited because Aunt Lucille was coming over. She would always sing me songs, play games, and make me laugh. Sometimes we would put on music and dance. Years later when i had my own kids i remember her being excited. She showered my boys with the same love she gave to me, she was a one of a kind person. The world wont be the same without you in it. May you rest in peace and fly free amongst the angels. I love you and will miss you until we meet again...??*

“ *I will never forget her, nor will I ever have another friend like her. I have a lifetime of memories. Some funny, some sad. We were family. She had a great sense of humor, even on our last visit, she was joking. She just wanted the best for everyone. She would give you advice. We loved our food. We used to talk alot about food. There are ONCE in a lifetime friends, that was her. I wish she was still here.....*
