“ *MaryJo and Chris,  
I am so sorry for your loss. Losing a child is a pain; So high, you can't get over it. So low, you can't get under it. So wide you can't get around it. You must go through that door. Keep the faith my friend, I know you two will meet again, until then take good care of yourself and your family. We love you and are thinking of you.*

“ Nobody should ever have to experience such a loss. Maryjo, Chris, Starr, Katelynn, Aunt Bolita, Gina, Claudette and the rest of the family: just know that we are all here for you guys. Mackenzie is a gift to Nonnie for Christmas. She's in great hands. Stick together to get through this and always know that you have the best family ever behind you. God rest her soul. You now have your very own guardian angel. Much love, positive vibes and prayers your way. Xoxoxo Love, Janae

“ *Maryjo, Chris, and Starr - Joe and I are so very sorry! We wish we could do or say anything that could erase this from your lives. If we could snap our fingers and make the pain go away we would. *There are no words that can be written or uttered to ease the pain of losing a child, niece, sister and grandchild. Having seen pictures of Makenzie's birth day was to see love and grief and pain beyond my comprehension....I also saw a strong family unit and support system for Maryjo and Chris...blessing to all of you at this time of sorrow.....*
