“ *Let the Truth be known.*

My Mother, Margaret Altimonte was Manslaughtered by Dr Ronald M Labuz, her daughter Carol Altimonte, her son Paul Altimonte and his wife, Nancy Altimonte after they denied my Mother Medical attention in Italy, 2011, while she suffered from Traumatic Brain Injury. The result of the flight/a urinary tract infection. They returned my Mother to me with Brain Damage, Subsequently they Human Trafficked me, Forced Labor for my Mothers care. They Human Traffic me, Forced Compliance to this day.

Like my Mother, I will never recover, as their Hatred never ends.

Please read Article 241, Title 18, U.S.C.

You are always with me and on my mind Mom.

Please know, there are many more facts/truths to their Hate Crimes. Lies to Drs and Judges. My brother, Pau Altimonte Extorted from me \$100,000 in a Court of Law. A Default Judgement that would have taken ALL SIX family members that were on that trip to Italy to lie to a Judge. Including the children of Paul and Nancy Altimonte!! Mental Illness/Malignant Narcissism. Criminally Insane.

“ Dear Altimonte family,

My condolences to the family of Mrs. Margaret Altimonte. My best wishes and thoughts are with them. I have heard many wonderful stories of Margaret from John James Altimonte, whom certainly loved his mother more than anyone I've ever met. Sorry for your loss John James and you will see her again.

Sincerely,
