“ *Bob and Family,*

*I am so sorry for your loss. Bob, you always talked so highly of your Mother and I remember you always going to visit her. You took great care of her in her last years. Your love for your Mother always showed in the stories you would tell us about your childhood. The closeness and love in your family is proof that your Mother was a great Mom.*

*She is with God now but her love and goodness shines through in the family she so lovingly raised.*

*My prayers are with you and your family.*
