“ Mom, I want you back so very much. I didn't have you long enough. Please come to me in my dreams and let me know that you are happy. I want to talk to you .Laugh and tell you stories about the kids.

I hope you were watching today. You can't believe how many of your friends from the Center came and introduced themselves to me.They were all of the ones you used to tell me about. My coworkers old and new came to give me support. Your family and friends too. So many who loved you and experienced your kindness. Watch over J and K and guide them. I still need your strength, wisdom, guidance and love. No one loved me like you did. Your flowers were soo beautiful just as you always were to me. CCR and CAR and SSR were /are there for me. (calling and checking on me) Please watch over AMM too. I worry about her now w/o TAP and MSR. CAP called and sent flowers. We had a lot of laughs last night and tears in your honor. I love you dear mumzie and will until the day I die. Your ever loving left eye . park620

“ *To the family of Mary Russo. I met Mary over 15 years ago when I started working at Albany School. We worked side by side in the lunchroom. We had started out as just co-workers and then developed a beautiful friendship which I will never forget. Mary was a lovely lady. We had many fun times together. Never did she forget my birthday or forget to send me a Christmas card once she retired. We would chat on the phone to catch up with each other and the good old days at Albany school always were in our conversations. I would like to offer my condolences to her family and be assured she is at peace as an angel in heaven. God Bless.....Brenda Castelli*

“ I was Bless with knowing your mom for 38 years. I met her while attending Columbus School, she would encouraged me to behave, pay attention & often explained that I could be what ever I wanted! She displayed such concern! She will be deeply missed by many. May God hold you all in the palm of His hand & keep you close, as you face such a terrible lost~
