“ Growing up I spent as much time at the Shafer's as I did my own house. "Cousin Maureen" had a large infectious smile and a light in her eyes...maybe there was some Irish there after all. Condolences to all, especially Rocco, Camille and RoRo. Susie

“ I taught with Maureen at Our Lady of Lourdes. I will always remember the year my class was participating in a program to raise trout in the classroom, and at Christmas time out of the blue she gave me an ornament. It was Santa Clause fishing! Every year since, I have hung that ornament on my tree and have always thought of her. God Bless Maureen.
