My sincere condolences to the family of Michael DeSantis. I also carry the name Michael DeSantis. Mike has always called me “The Ball Player”. He was always an avid supporter throughout my baseball career. Wrote me letters and supported me in my journey. He also supported me and my family when I entered into the restaurant business. Mike was a man of integrity, faith, loyalty and always family. From time to time I would stop to see him at his son’s practice while he would be there opening mail. Always sharp as a tack. And always asking how family members were doing. He always made his rounds during the holidays to visit all of his family. Mike will be greatly missed. He will always be in my prayers. Rest easy cousin. I’m sure the pearly gates are wide open to accept you. God bless. And always with love!
