“ *It hurts me so much to know that you're not here w/us anymore. With unselfish thinking, I know that you are in heaven, w/the Lord our God, in peace & happiness w/your "everything", your mother. I know w/every recent breath you took here on earth, your heart ached immensely due to her passing. I know you suffered many crosses here on earth, & fought them w/all your strength. To me, you have done your best. There will not be a moment that I will not be thinking of you, loving you, & praying for you. You & your beautiful mother, my Chu-Chi Lisa, will always be in my heart.*

*Your loving cousin,
Alicia*

“ You were who you were for a reason, you were part of an intricate plan, you were precious and a unique design, called God's Special Man. you looked how you looked for a reason. our God made no mistake, He knit you into the womb of your Special Mom Lisa, your just what he wanted to make. No, that trauma you faced was not easy and God wept that it hurt you so; but it was allowed to shape your heart so that into his likeness you would grow. You were who you were for a reason, you've been formed by the Master's rod. You were who you were , beloved, because there is a God! Sleep now with the Angels in peace...love forever your ChuChi Sarah

“ You became a great friend in a short period of time. You also grew quickly on my wife, family, and friends and will be missed by them too. You left an impression on us and I hope we did the same for you. May you rest now with your mother in the heavens and know that we will be thinking of you both...
