

Mr. Michael D. "Mikey" Kelly

May 19, 1995 - June 30, 2016

Michael D. "Mikey" Kelly, age 21, passed away on Thursday, June 30, 2016, at the Abraham House after a long battle with Cystic Fibrosis. He knew parental love and was a son to Santana, whom he called "Ma" and Alexis "Alex" Charlotteen. He was born and raised in Utica and attended T.R. Proctor High School.

Mikey showed great strength and courage as he battled Cystic Fibrosis. Displaying the heart of a giant, he faced what was dealt him with his characteristic humor, sense of fun, and outgoing nature. Mikey focused on bringing happiness and love to others, even in the midst of difficulties with his illness. He was grateful for every moment he got to spend with family and friends. Michael's beautiful, amazing spirit left all who came in contact with him in awe as they saw life through his eyes. He displayed his creativity by writing short stories and poems and practicing photography. Everyone knew that he had a number one request-- his favorite dish, mac and cheese-- which he would love to have anytime, anywhere.

Michael is survived by his parents Santana and Alexis Charlotteen; five sisters and a brother-in-law: Stacey and Zachary Bush, Brittany, Mariah, Julianna, and Alessandra; six brothers: Thomas "T.J.", Anthony, James, Savan, Alexis, Jr., and Gabriel; his niece, Brooklyn, and nephew, Noah; cousins Kayla, and Steven Morrock and their mother, Mona; and his uncle, Joseph "Joe" Bartolomie. Among the many friends and extended family members, Michael also leaves his first love, his girlfriend, Alexis Perreault, his "blue rose", and

two great friends, Sam and Lenzel.

The family would like extend their extreme gratitude to the doctors, nurses, and staff at Syracuse University Hospital for the many years of care they provided to Michael. Heartfelt thanks, appreciation, and love are sent to the staff and volunteers at the Abraham House, especially the Hospice nurses. Visitation will be held on Saturday from 1:00-3:00 at the Eannace Funeral Home, Inc., 932 South Street, corner of Hammond Avenue. Michael's funeral service and Celebration of Life will commence at 3:00 immediately upon conclusion of visitation with Elizabeth Giarrusso, CSJ, officiating the ceremony.

“ *Santana, I love you for all that you have done and the heart that you have. You are a very strong willed Mother, Sister and Aunt. I have watched you grow into this extraordinary young women. Before being a Mom until this very day. Mikey was so very special and lucky to have a Mom that loved him so much, to give up so much, and to fight for him, to fight harder. You did everything so right and the best you knew how. He loved you more than anything. Don't ever second guess anything you did for him. It was all good. I love you Tana and I know a piece of you is hurt, but I also know inside you are smiling and very happy. You are awesome. I remember when this little boy came into my life, and became my step brother, and he was such a little man then. He was a little fighter back then and up until now. I've watched him grow to become this exceptional young man, who struggled and had so much fight in him for life. His goal was to stay as long as possible and touch so many lives. He showed me the meaning of what life ment. I love you Mikey. Do many miracles in Heaven and wait there for all children to arrive. Comfort them so that they are not scared. God already has a special job picked out for you. Always love from your Step Sis/ Aunt Jackie*

“ *I remember when you were born. Even as a baby you sat with a smile on your face as you got your breathing treatments. You loved to make people smile or laugh so you would act silly or just ask for a hug. My daughters played with you as a baby and toddler, I think it confused you sometimes because they looked alike. You would look at one then the other and shake your head. You inspired your brother TJ to take the same joy in life you had and go for what you want in life and to never give up. I wish I got to know the inspiring and remarkable young man you became, but I got to hear stories from TJ after he got back from visiting you. Fly High and breathe easy sweet boy, you are loved and missed by many. This is not goodbye, but see you later.*
