“ *Dear Family*

I was so saddened to hear of cousin Nicky's passing. I can remember when I was younger and he used to babysit us when we were younger. Aunt Ermie had to think that you were a very special person for her to let you babysit her kids!! When I got older and started hanging out with Emily we used to go to Aunt Mary's house every Saturday. That house was always filled to the rim with kids and Aunt Mary would always be cooking for all of us. People would always be popping in. Cousins Joannie, Nicky, Anthony, Danny, Joey and other people just coming in and out. Those are some of the best memories that I have and will never forget. Nicky would always give me hugs and kisses!!!

Nicky I know you are now at peace looking down and smiling upon all of your family. You will be missed greatly but there will always be a piece of you within each and everyone of us.

Rest in peace dear Nicky we love you!!
