

## Patricia (Liss) Papale

July 31, 1946 - January 25, 2008

Mrs. Patricia (Liss) Papale, age 61, of Utica, passed away on Friday, January 25, 2008 at Strong Memorial Hospital in Rochester.

Born in Utica on July 31, 1946, Patricia was the daughter of the late Michael, Sr. and Helen (Pietrzykowski) Liss. Raised and educated locally, she was a graduate of T.R. Proctor High School and later Mohawk Valley Beauty School. Pat entered into a blessed union at St. Anthony of Padua Church when she married her true companion, Anthony Papale, who passed away in March 1987.

For a number of years Pat held the position of salon manager at the Elite Beauty Salon on Mohawk Street. She later pursued a career in retail taking a position at the Bedspread Store in the former Charlestown Outlet mall. For a period of 15 years she was the cashier at the OTB in Whitestown and later worked as a government loan counselor at ACS Education Services, Inc. until the time of her illness. A loving individual, Pat was always available to lend support to anyone in need. Her family was her life, and she loved her nieces and nephews as though they were her own children. She was a loyal fan of the St. Louis Cardinals baseball team and she was an avid bingo player. During her spare time she enjoyed knitting. She was also devoted to her feline pets.

Pat is survived by her brothers and sister-in-law, Stanley J. and Shirley Liss, and Michael A. Jr and Karen Liss; her many nieces, nephews, great-nieces, and great-nephews, especially acknowledging Tammy Liss and Donald

Hancock, Jr., Stanley "Chris" and Jacqueline "Jackie" Liss, and Melissa Liss, who was also Pat's godchild; and her in-laws, Marie Papale, and Louis and Dolores Papale.

Arrangements have been entrusted to the Eannace Funeral Home, Inc., 932 South St., corner of Hammond Ave. In keeping with Patricia's wishes, there will be no public visitation. By family request, please omit floral offerings. For those wishing to do so, please consider memorial donations in Pat's honor to the Spring Farm Cares Animal Sanctuary; envelopes will be available at the funeral home.

A service will be held on Thursday, February 28, 2008 at 9:30 at Calvary Cemetery Chapel.

“ *My friend Pat,  
I will miss her. We worked together for a lot of years. We picked horses together for the K-Derby and all others we thought were worth betting, she would bet anything that had a name referencing a cat. For many years Pat and I would do the catalog party for Friendly home parties and every year she would get something with a cat on it.  
One thursday she would buy the casual day sticker and then next i would buy.  
She played the lotto with a group of us at work and every week she would pray for us to win...but we never did...maybe now she can give us a little help from the heavens above.  
I will miss our talks and laughs we had but i will always have her in my heart.  
RIP my friend!##imported-begin##Raylene #202##imported-end##*

“ *Patty P,*

*You left us on the 25th of January. They say blood is thicker than water. We were your water family according to people that did not know our relationship with you. We lost a great friend and a big part of our world. You walk with Jesus now. He holds you tight. Tell Patrick hi for us. I hope you are playing cards and winning against Uncle Junior and Aunt Isabelle. Playing bingo with grandma and Ge Ge. Your numbers have finally come in and you have won the lottery! We are going to miss you. You will always be in our thoughts and especially in our hearts. We will love you always and forever.*

“ *Patty was the most kind hearted person I have every met. She was the type of person that never knew the word "no." Whenever anyone who knew her needed her she was there in a moment time. When my son was little and I needed a babysitter Patty and Tony looked forward on watching him, he was there little Tony, when he wanted a E.T. bike they went out a bought it for him! Went my husband died Patty was the first one over with more food then a army could eat and stayed with me, and knew what I was going through a widow at a young age. My love is with you always, thank you for everything.##imported-begin##Beverly and Antonio Poccia##imported-end##*

“ *Aunt Patty is loved by all who knew her. She was a dear and wonderful woman who always placed others first. She was the kind of person that anyone would want as part of thier family, and many did consider her part of thier family whether they were related by blood or not. What matters is that she was and will always be cherished and missed by ALL ! by family, dear friends, and co-workers. She always told my husband Chris and I that if she ever won the lottery we would be taken care of and set for life ,but having such a warm , kind , considerate person in our lives is all of the riches we could of ever asked for. Patty is in a better place now and we can all take comfort in the fact that she is watching over all of us as a guardian angel. Patty your absence is greatly felt but I take comfort in the fact that you will always be in my heart and that we were blessed to of had you in our lives.##imported-begin##Jacqueline Liss##imported-end##*

“ I have known Pat for the over 25 years. My family has been a part of her life for as long as I can remember. I grew up down the street from her and I would spend time with her when I was a child. We would watch movies and play board games. In recent years I would see her almost every morning when I took my dog for a walk. She was a wonderful lady and she will be sadly missed.##imported-begin##Mena Testa-Raspante##imported-end##

“ PATRICIA PAPALE...

*(Aunt Patty P to me) has been a part of MY FAMILY for many, many years. She has been at my house for every Thanksgiving, every Christmas and every birthday party in the past 18 years...My father and mother, Harold and Mildred Burr and sister Beverly Burr have been there for her through every heart ache and every illness. When she could not drive any more due to her eye sight they would drive her to and from work and did it out of love. She would spend her days after work and every weekend at my parents home. She was a true "East Utican" who loved to enjoy true friendship with a good cup of coffee! Viisiting on the front porch was all she needed! She was my sister Beverly's best friend and our family will miss her dearly. Aunt Patty P loved her cat Shadow. During her illness Beverly would go daily to feed her and make sure Shadow was cared for and then go to the hospital to give Patty daily updates on her Shadow. It is just too bad that I never got to meet any of you (her blood family). Because if you are half the kind of person Patricia Papale was, then you must be wonderful people. But for now all I have are my pictures and my memories of the great holidays and birthdays shared with a wonderful lady my boys and I called Aunt Patty P. Who ever said blood is thicker than water did not know our family and our Aunt Patty P!!!imported-begin##Patty Cittadino##imported-end##*
