“ *To Phyo's family,
I was shocked and saddened by the untimely passing of Phyo. Phyo was one of my students when I was Principal at Jefferson School. I remember seeing him every morning when he arrived at school and attended Morning Program. He was well liked by the students, teachers and staff.
The loss of a child is one of life's greatest sorrows. Although there are no words that can lessen your grief, please accept my deepest and most sincere sympathies at this time of loss.*

“ *Phyo was a great boy who always had a smile for you. I will always remember how happy he was after winning a raffle and it was a wreath full of crafts that he could do. What a smile! High five's were always ready when ever you passed him in the hall. We all know that he is having a ball right now and is releaved from his braces. Jodi Sittig remembers racing down the hallway with Phyo and bringing him into the library to read and what an excellent reader his was. Jodi and I will miss him and we will keep him in our prayers. See Ya Phyo.....*
