“ Rip grandma

*You will be greatly missed. I remember all the times we would joke around when i would come see you and the smile you always had. Nothing brings more joy to my heart than to think of you smiling. I will always have great memories of you im glad you got to meet the kids. I know you will always be there to watch over everyone.*

“ Grandma,

*Words can't explain how I feel, in a sense I'm upset that I couldn't be there for you as much as I should have been, I'm happy you are now in peace with grandpa. Either way, nothing or any distance will ever change the way I love you and grandpa. May you fly with the angels, and rest in peace with the man of your life. Oh how you both have lived the fairy tale love that not a lot will ever be able to experience. Thank you both for everything you guys have ever done, and I'm so happy to have you both as my guardian angels. I couldn't ask for better. I love you both.*

“ Mom,

*You've gone off to be with Dad, and for that I couldn't be happier. That I was with you when you left us is of great comfort to me. My promise to you is that as a family, we will keep your memory alive forever.*
