“ I am so deeply sorry for Bobby's passing. We all had so many
memories as children with the accordion band. We traveled many
miles, and played at any different functions. We were young, we
had so much fun, we had so many memories. I truly am deeply

“ I really could type words from my heart here all day long, and it would never be enough to pay tribute to this beautiful man. We were friends for as long as I can remember, 37 yrs to be exact.

We shared a love and friendship that was understood by only Bobby and myself, and perhaps Gina~and Momma~

My deepest sympathy goes out to Bobby's family, who are so blessed for having such a caring man in their lives.

God received an Angel the day Bobby arrived in Heaven~He will be looking out for all those he loved from above you can be sure of this~

With Love and Deep Deep Sympathy,
Julie, (Big Momma Red) and Brother Tom###imported-
