The family extends thanks to Robert and Beverly's neighbors and dear friends, especially Rudy and Joann Marangi, whose presence added comfort to the difficult moments.

“ *Dear Billy,*

*I am so sorry to learn of your father's passing. I only met your Dad once and he was a lovely man and obviously very proud of you and your brother. I know words are not much of a comfort to you right now but my thoughts and prayers are with you and your family. Your Mom is such a great lady and I can always count on her to update me on your accomplishments whenever I see her, so please give her a warm hug from me and let her know she is in my thoughts as well.*

*Surround yourself with the ones who know and love you best and it will help to ease your heartbreak and know that if you need me I'm hear for you so don't hesitate to call. Tara sends her love to you, too. Take care of yourself and I love you.##imported-begin##Jennifer DiBrango##imported-end##*
