“ Sadly I don't remember much of aunt Rosie. My last memory of her was when I was a child. I do remember being in her home and I remember having a good time that day! I had since then lost touch of her and of my entire family that I am slowly but surely finding on facebook. Thanks to my uncle Benny who had found my contact number and contacted me not long before he too got l'll and passed. I am thankful for him reaching out and he and aunt Paula send me tons of photos of some of my family and cousins and I have found some more here on Facebook. Aunt Rose and I became friends on Facebook and wrote back and forth a few times...and I wish I had the chance to see her again before she passed. May she rest in peace and watch Ober her children and her family. 🙏🙏
