

Rosemary (Inserra) Matt

May 1, 1956 - December 13, 2024

NEW HARTFORD - Rosemary (Inserra) Matt passed away after a courageous battle with leukemia. She passed into the hands of the Lord on Friday, December 13, 2024, with her husband and children by her side.

Rosemary was born in Utica on May 1, 1956, to the late R. Robert Inserra and Vincenza (Rescino) Inserra. Rosemary graduated from Utica Catholic Academy in 1974 and then went on to earn a BS in Mathematics from the University of Buffalo in 1978. After college, Rosemary went on to teach high school math in the Oriskany Central School District. She later left the teaching profession to become a Real Estate broker with Faith Properties. Next, she went on to work for New York State as the Director of Accountability for Adult Education where she was responsible for the data of 270 programs across the state. It is here where she remained for the rest of her career. Rosemary was hardworking and dedicated to her work. She was revered by her colleagues throughout the state for her excellent work ethic and precision in her daily work.

On June 9, 1979, she married James E. Matt, the younger brother of her sister, Lucille's, husband. They met at Lucille's wedding and were married three years later. Rosemary and Jim shared a very strong, loving bond and were completely committed to each other. They were married 45 years.

Rosemary leaves behind her beloved husband, James (Jim); two children and their families: their eldest child, Brian and his partner Bryan Fairbrother, and their daughter Alycia (Matt) Magee and her husband Sean and their young children James S. Magee and Izabelle R. Magee. Rosemary also leaves behind her sister Lucille (Inserra) Matt, a brother-in-law John A. Matt Jr. and his wife Maureen, and a sister-in-law Dolores Matt. Also surviving are Rosemary's nieces and nephews, Craig A. Matt and his wife Ashleigh (Dennis) Matt and their young daughter Aurora, John A. Matt III and his wife Kimbery, Michael J. Matt and his partner Paul Batista, Patricia (Matt) Otis and her husband Jeff, Gary J. Matt Jr. and his wife Katie, and Sean Matt. Rosemary is also survived by twelve other great nieces and nephews, an aunt, Connie Inserra, and cousins, Francis and Patricia Inserra, Elaine Paynter, and Carol Cannerelli. Rosemary was predeceased by two brothers-in-law, Gary J. Matt Sr. and Robert W. Matt, and mother-in-law Virginia (Haley) Matt.

Rosemary was generous and very giving of herself. Her family was the center of her life. There was nothing she loved more than her two grandchildren. They were the light of her life. Rosemary was an excellent cook and enjoyed watching cooking shows. Weekly, she would host her son and daughter's families for Sunday dinner.

Rest in peace, Rosemary. Know that your love, generosity and spirit of life will live on in our memories forever.

“ Dear Matt families,
My sincerest and deepest sympathies of learning of brilliant and wonderful Rosemary’s passing. Such life long memories to reflect on. You all will be remembered in my prayers. So sorry I could not deliver this sentiment personally but the flu prevented my wish.

“ I had the honor of knowing Rosemary when I became the data manager for Jefferson-Lewis BOCES. A position I held for over 20+years. She was my mentor when I began collecting data and I had the honor of seeing and interacting her many times over the years at various workshops, my last interaction with her was in March 2024. She was a force to be reckoned with when it came to making sure our numbers and the state numbers were the best they could be. She will be sadly missed by many. My thoughts and prayers go out to Jim and her family.

“ We are truly saddened by the loss of Rosemary Matt. She was a champion and advocate for all Adult Education students. In my short time of working with her, she supported us in ensuring that we raise and maintain high expectations for our citywide programs. She pushed us to strive for excellence on a consistent basis. Especially during our monthly meetings when she would say “ Uhhh Superintendent, I understand the challenges...but I know you can do better..what is the plan to improve practice?!” or “ If it’s not in ASSIST it doesn’t exist!” What I appreciated most about Rosemary was her unwavering passion to help others and her investment into this work. To Jim and the entire family, thank you for sharing Rosemary with us. We are forever grateful.

“ Jim and family
I was shocked to learn of Rosemary's passing. I am so very sorry. She was always so willing to help each Adult Program "use" their data to help improve services. She had a gift of looking at the data and know what else we should be doing to enhance services to students. Her knowledge of AEPP was amazing and concurrently the support she provided to ALL the NYS Adult Programs was appreciated.
On a personal level, Rosemary and I always shared grandchildren stories. My deepest sympathies to all. A true champion for Adult Education In NYS. She will be missed. My prayers for all. Mary K. Kline

“ It saddens me greatly to learn about Rosemary’s passing. It’s been a few years since I’ve worked in the Adult Ed world, but my memories of Rosemary and the lasting impression she made on my life have not faded in the slightest. I can recall many RAEN meetings and AEPP trainings spent with a Rosemary that I look back upon fondly. The content wasn’t always the most fascinating, but Rosemary had a way of making every person in the room feel invested in something that was greater than their own class, program, or region. She was the glue that held together Adult Ed in New York State during my time, and I will always remember Rosemary’s unwavering professionalism and the clarity of her conviction. She was and will remain an inspiring figure in my life, and I can’t possibly thank her for all that she did to help my young career in education. Rest in peace Rosemary, you were one of the good ones.

I had the privilege of partnering with her on a grant project and seeing her every year at NRS trainings in DC.
