

Mr. Russell Leron Rumph

August 11, 1970 - March 13, 2023

UTICA - Mr. Russell Leron Rumph, age 52, passed away on Monday, March 13, 2023 in the comfort and dignity of his home, and is now reunited with his grandmother and sister.

Born in West Islip, NY on August 11, 1970, Russell was the son of Lizzie Moore and the late Horace Rumph. He attended the Central Islip School District and was a graduate of the nearby Wyandanch School District. He moved to Atlanta, Georgia with his brothers, and in 2007 relocated back to New York State.

Russell was employed by Price Chopper Supermarket on Genesee Street where he worked in the Produce Department, a position for which he was well-suited and a job that he performed successfully. A cordial man, he chose his close friends carefully. He always had a plan, ...to reach his potential in his pursuits and goals in life. Music was a major endeavor he enjoyed and his DJ equipment was well played and maintained. His home and clothes were clean, organized, and everything had its place. He cared for his car which was the only vehicle he bought and still drove to this time.

Russell had a blessed childhood, and cherished his family and loved ones who were so important to him.

Russell is survived by his beloved sons, Syncere Russell Rumph and his mother Jennifer Carruth, and Emanuel Isiah; his mother, Lizzie Moore, and his Pop, Carl Moore; his siblings, Ricky Irvin, Tommy Irvin, Carla Robinson, and the memory of his sister, Virna Lynette Rumph who preceded him in 1990;

and his aunts and uncles and their families, Alberta Jones and Harry Fulton, Christine Barrow, Katherine Geames, William Geames, and Leroy Geames. He was predeceased by his maternal grandparents with whom he shared a special bond, Ella Vera and Lugene Geames.

Visitation will be held Saturday, March 25, 2023 from 3:00-4:00 p.m. at the Eannace Funeral Home, Inc., 932 South St., corner of Hammond Ave.

“ My fondest memory of my cousin Russel, was remembering his love for music. At such a young age he had an amazing gift of singing and reciting songs. My brother Frankie and Russell’s two brothers ,Tommy and Ricky and his sister Lynette would gather around him to listen with excitement and sing the words to a song, he would be bobbing his head right along to the music. We all liked it so much we would ask him to do it over and over.

To my knowledge he still had the love for music in him, it never left him. My cousin Russell will be truly missed but he will never be forgotten. Each one of our memories will live on in our minds and hearts. My prayers are with the family’s and may Russell rest in peace until we meet again.

“ Russell I can't believe that I would no longer be able to get advice from a friend who knew what he was talking about. Not many people as I have aged I've been able to inspire me to be better by example, not just talk, not just fantastic dreams; but by example when it looked like to most people you will become and only will become a negative statistic, you took the challenges that you faced and became a great father a great son a great brother a great friend and a great person. The thing about memories, especially good ones is that the advice and the inspiration will always remain. Rest in peace brother I will always hear your music see your face and try to mimic that head Bop.

“ To his family and friends I am so sorry for your loss! This comes to me as a shock. I worked with Russell at Price Chopper. Him and I talked frequently when I passed through the produce department.
