“ Suzanne, so sorry to hear of your dad's passing. We native Americans believe that the spirit is returned to the creator. No matter what our religion, we must rely on our faith, whatever it is. Like the great eagle, your father's spirit soars high above and will watch out for all of you. "Kat"###imported-begin###Katrina Lazore-Camelo###imported-end##

“ Carol, family, Anna, and Sue,

To say I am shocked over Skip's passing is putting it mildly. I know the past few years have been difficult for all of you. When I think of Skip, I think of days gone by, but like falling leaves in autumn, the years have fallen quickly. We have had a lot of goods times and we've lost a lot of family in those years. Skipper so loved to dance...and that's how I will always remember him. He's dancing with the Angels now and getting ready to celebrate Christ's Resurrection. Hold on to your faith, and Skip will be there to guide you all in the days ahead. Love to all, Bev##imported-begin##Beverly Schrader##imported-end##
