Mrs. Sandra H. "Sandy" (Thrasher) Kane, age 65, passed away peacefully on Saturday, October 29, 2016 at the St. Elizabeth Medical Center with her loving family at her side.

Born in Utica on December 18, 1950, Sandra was the daughter of the late Frank and Jane (Makuchooski) Thrasher. She was raised and educated locally. On June 30, 1973 she married Donald "Don" E. Kane, Jr. with whom she shared more than four decades of love and lasting memories.

Sandy held various employment positions locally, most notably at Delorio's Bakery, St. Elizabeth Hospital, and lastly, Dari-Del Dairy, a position that awarded her many loving friendships. As a matriarch, Sandy was a fantastic mom. She was an outgoing woman, always trying to please others while placing her own needs last. More than anything else, she loved her family, especially her grandchildren. They were "her world". Christmas was the most beloved holiday for Sandy, and her family will always treasure the Yuletide memories she made so special every year for everyone. She also loved her canine companions, especially favoring her German Shepherds. She also appreciated the beauty of dolphins. She was an avid New York Yankees fan. Sandy was of the Catholic faith.

Sandy is survived by her husband, Donald; her sons and daughters-in-law, Daniel "Danny" W. and Shelly M. Kane of Frankfort, and Don "Donny" E. and Audrey Kane of Utica; and her grandchildren, Samantha Fabbio, Brandon Kane, Amanda Alfred, Jordan Kane; Emily Kane, and Hailey Kane. She will

also be remembered by her sisters and brother-in-law, Shirley Misiaczek, and Frances and Pat DeRosa, all of Utica, and Patty Alsante of Whitesboro; her brother, Frank "Junior" and Doris Thrasher of Clinton; her nieces, nephews, great-nieces, great-nephews, cousins, and many in-laws, and members of the Manino family. She was predeceased by her brothers, John Thrasher, Wayne Thrasher, and Thomas Thrasher; and her sister and brother-in-law, Barbara and Frank Woods.

The family is grateful to the doctors, nurses, and staff at the St. Elizabeth Medical Center for their care and professionalism.

“ To my Mom's (Frances DeRosa) baby sister, as a young child I will never forget my mom saying on a Sunday afternoon, "come on lets go to Aunt Sandra's house". As I grew older like many teens I found other things to do on a Sunday, but going to see always remained as a childhood memory. She was always happy to see you. I remember being afraid of her "big dog",so she always put him in her bedroom till we went home. I will miss you Aunt Sandy, your silly laugh and kind soul. Love you Cynthia.

“ Dear Donny and Danny,

*Our prayers are with you and your family.
I always loved going to your house after playing Basketball in Little Falls and watching the game we just played on video and eating pizza and snacks that your mom prepared. It took a special woman to open her house up to the team of individuals we had, especially after working all day and then dealing with us. God bless her. That was one of my best memories of my childhood.*

Love,

“ I really Loved my Aunt Sandy!!!! 😊😊💕💕💕

She was very loving and caring. I remember when I would visit her with my Family she was always busy taking care of her Family and her Mother. She loved her Husband and her Sons Danny and Donny and her Grandkids so Much. When I talked to her she would always talk about them. I always looked up to her and as I got older I had a few of my Relatives tell me I favored my Aunt Sandy. She was Beautiful, Loving, always worked hard and kept a clean home. I remember when she came to Atlanta to see us and she worked with my Mother at the Famous Silver Skillet Restaurant. She was so a Blessing and I loved being with her. I was coming to visit in Thanksgiving or Christmas and I missed the opportunity to see her Beautiful Face again. I 'm so Sorry for yall's loss. I will always have her in my heart and I loved talking to her on the phone but alot of times she couldn't talk and we would just text. Love you Aunt Sandy you were the Best!!!!!!! God Bless.
