“ Dear Laurie,  
I was so sorry to hear of the passing of your mom ....As children we spent a great deal of time together, nearly every Sunday she and Aunt Evelyn would come over and visit and we would share dinner together. Sharon was a warm and loving person ,but had that impish twinkle in her eye.....My life took me far away from upstate New York and when my mom and dad moved away also I lost contact with both her and evelyn...Something that I will always regret.....I will keep you in my thoughts and prayers and agree with Mike, that she is up there refereeing both Evelyn and Marge as she did in life.Love to you....Cousin Rick Bagnall

“ *Laurie, my deepest sympathies. I knew Sharon while she was  
working in the Education Dept.at the Masonic Home. She was the  
friendlest, most calm person, I knew in an otherwise busy  
department. She was still there when I retired in 2002. May I wish  
you comfort knowing that God will take care of you. She will always  
share in my memories.*

“ Laurie,  
You know you are in my prayers, and I am so sorry for the hard time that you must be going through. I have a lot of memories of your mom. I remember all the dinners I had with you and your family as we were growing up. Your mom was a great cook and she was always gracious to give me a ride home time and time again. From Stueben St. to Prospect to Holland Ave we had a lot of laughs. I know you were the light of her life and she will be watching over you always.

Love you,  
Sheila

“ Laurie, I am so sorry for the loss of your dear mother. I worked with Sharon at St. E's many years ago and still stayed in contact through out the years. We shared such good times together, working side by side in the Personnel Office, we knew every little detail of each others lives. I remember the day you were born:) Her whole world revolved around you. Her laugh and smile will surely be missed by all that knew and loved her. You are in my prayers, Laurie.

Love,  
Aleyne Thomas
