“ Hey papi it's gma .We went on the 21st of June up to the cemetery to release the balloons for you.It was nice and hard at the same time.The same people that were there from day one was there with your mom,even some new people.Your tio john was not there neither was papa joe.But it doesn't mean the don't love,miss you nor wanted to be there they just couldn't.But all in all papi it went good.Today is the 30th of june and its not to great of a day for your mom.She had got a doggie for Christmas and was very happy with him we all were,lol his name was Louie.Well today she lost him and your mommmy is so down and sad.She's very hurt,thinking she has the worst luck I told her that's not true it's just the way the chips are falling for her right now.I also told her that things like this is when we know what we are made of they either make us or break us.And this is how a lot of people get their thick skin from things like this.So I just wanted to let you know what was going on with your mommy and ask you papi watch over her PLEASE!!!! She can use an angel especially her own.Thats you baby and always will be.Im down here doing what I can for her but from up there I need your help ok. May God Bless You Sj. Love you soooooooooo much!!!! until next time muah xoxoxoox. LOve Always, Gma

“ Hello papi its grandma.I know i haven't written in a while n thats because it really is hard to write things on here n not being able to hold u n talk to u face to face does hurt.but at the end of the day grandma does smile n thinks im so happy that i did have a chance to hold u.Sometimes i look at ur daddy n could c u sweetie lol.i don't know might sound crazy to some but it's only true u looked just like him.If u would of looked like mommy then that means u would have resembled me.cause my jolly green giant does.Muah! ritza.i look at ur pics every day at least ten times a day n I love doing that,it really does bring me a lot of joy. Your mommy bought me something from u recently n it brings me alot of comfort when im feeling down.It's somewhat of a poem it's called I Did Not Die. When i go to ur grave it hurts to leave u once again,but since i got this poem from u im ok,because u tell me Do not stand at my grave and cry;I am not there.I did not die.So i take those words in comfort.Sj i miss u,love you n know that ur watching us all.May god bless you.lend this for now because if u leave it up to grandma i'll keep going.but it won't b for long talk to u soon.xoxoxoxo n many more is what i send to you.

“ when god calls little children to dwell with him above, we mortals sometimes question the wisdom of his love. for no heartache compares with the death of a small child who does so much to make our world seem wonderful and mild. perhaps god tires of calling the aged to his fold, so he picks a lil rosebud b4 it can grow old. god knows how much we need them, so he takes a few to make the land of heaven more beautiful 2 view. believing this is difficult still, somehow we must try, the saddest word mankind knows will always b "goodbye". so when a little child departs, we who are left behind must realize god loves children... angels are hard 2 find. -Love Always Tee
