“ I still remember one of the last things you said
to me... "you still have the holy spirit in you're
eyes." I truly miss you, you were one of the
sweetest women I have ever met, I owe you a
look. Thanks for being there, and having our
backs. Rest well.

“ My most humble condolences to Sr. Mary Theresa's family. I so have missed her since I moved to AZ, but would always stop at the Parish Center when I was in town. So many fond memories of Sister when I joned the Mothers Group and got involved in other things at the center. I have truly never met someone with a bigger heart than she had. She certainly is an angel already watching over all of us. My family loved her very much and will always think of her with fondness. God truly blessed us with her presence.

Sincerely,
