

Tenisha A. Harris

January 8, 1956 - February 12, 2025

UTICA – Tenisha A. Harris, age 69, passed on Wednesday, February 12, 2025, after a valiant battle with cancer.

Born in Syracuse on January 8, 1956, Tenisha was the daughter of the late Roger Y. and Minnie Lee (Harrison) Faison. She was a graduate of Thomas J. Corroran High School/Class of 1975, and went on to further her education at Onondaga Community College, earning an associate's degree in administrative criminal justice. Tenisha proudly served her country with the New York Army National Guard.

Tenisha began her career as a Deputy with the Onondaga County Sheriff's Department. Later she obtained the position of customer service/telecommunications representative with APAC, Inc., then worked with Greyhound Lines, Inc. Lastly, she held employment at the Price Chopper located on Genesee St. in Utica.

Kind-hearted, loving, and helpful, Tenisha was always willing to assist anyone in need. She had a great sense of humor and loved telling a good joke. In her free time, she enjoyed reading – history in particular – and listening to music. Most important to her was being around her family.

Tenisha will be missed by her sister, Patricia Richardson; uncle and aunts,

John T. Sr. and Gloria Harrison, and Aunt Gladys; two nephews, Syllis Richardson III, and Bobby Richardson; a host of cousins, including Phyllis Harrison, Peter Harrison III, Michael Harrison, Michael Johnson, Keith Johnson, and Joanne Johnson; and her love, Anthony F. "Stack" Stachelski, Jr.

In honoring Tenisha's wishes, there will be no public services. Arrangements have been entrusted to the Eannace Funeral Home, Inc., 932 South St., corner of Hammond Ave.
