“ Farewell dear friend. I am filled with sadness with your passing. I am left with 60 years of wonderful memories. We had so many great times. We worked together, skied, played golf and spent many a night at the Lamplighter Room. So many memories dear friend. Altho we drifted the past few years, mostly because of illness, you were always in my heart. No more will I be able to pick up the phone for some catch up. Rest in Peace Terry and keep your clubs ready for when we meet again. <3 Arlene
