“ Russ and Diane. We are so incredibly sorry for the loss of your mom. She was a one-of-a-kind sweet lady who I loved like my own mother. Not sure if you remember or not, but she was my godmother. Both of your parents will always hold a special place in the hearts of myself and my sisters. Many great memories especially the two times we came down to Florida and stayed with you. She is out of pain and in the hands of the Lord celebrating eternal life with your sister, your dad and her family. Joe and Eileen LaBarbera

Joe and Eileen, I just came across this website today. Thank you very much for your sweet message. Mom thought the world of you and your whole family. I hope to see you when I'm up in NY this June.
