“ I am so sorry to hear of the loss of your twins, I to went through the same loss.

We are grateful of having a healthy baby boy but his brother Liam is our Angel looking down at us everyday. Know in your hearts that they are in a good place and you will never forget the journey you had with yours boys.

I know you don't know me but I feel that there aren't many people that go through Twin to Twin Transfusion and nobody seems to understand what it feels like to carry two babies but the outcome doesn't let you hold them long enough. Take care and God Bless!###imported-begin###Kelly Lyman###imported-end##
