“ *Fran-my sincerest condolences to you and your family on the loss of your dad. Your family certainly has a wonderful legacy to carry on with his works and his memory. He was often in my thoughts and is one of the few residents at Pres I will surely never forget. “ *Dear Family:  
It is with much sorrow to hear of Vic's passing. I visited with him on my last visits to Utica, reminising with him of our Kiwanis Days and the Len Wilber awards dinners that we all worked on through the years. He will be remembered for the many activities and good works he performed during his busy life in the Utica area. You are in my thoughts and Prayers.  
Sincerely,  
Fred Bowen###imported-begin###Fred Bowen###imported-end###*

“ Mr. Victor A. Perretta was a great man who had a very big heart. I was raised at Gillmore Village where Mr. Perretta spent many of his long hours helping many families across Utica connected to the Housing Authority as tenants and prospective tenants, I was one of the boys he touched when he helped open a branch of the Boys Club at Gillmore Village back in the early 1960 's. He was so proud of us boys from Gillmore Village that he hung pictures of us at the new Boys Club in his Office, I was in one of those pictures and will always remember the smiles it brought him knowing us boys were off the streets and into a Club of our own thanks to his efforts.

I was there in 1971 when MHA named Twin Towers after Mr. Perretta.

The East Utica Boys Club Gym Addition is named after Mr. Perretta.

Mr. Perretta I will always remember you for helping me when I was a young man growing up without any thoughts of a bright future. You made the sun shine for all of us in public housing because you cared, and you gave from your heart.

May God Bless you and your family.

You were one of Utica's Finest Citizens.##imported-begin##William E. Newell##imported-end##

“ I remember Mr. Perretta fondly from when I used to volunteer at the Presbyterian Home. He was such a sharp man, always meticulously dressed and handsome. Knowing all the work he did for the community in his life, I have the utmost admiration and respect for Vic. I just drove by the towers recently - and have nothing but good memories. My condolences to the family, take comfort in the great legacy he leaves behind.##imported-begin##Jason##imported-end##
