“ I met Virginia back in the late 1950's. Her and Boots were a great couple. He is greatly missed also. She was a good sister-in-law to me. She was a very special person and always well liked. I'm so glad she had a wonderful life and a great family bond with everyone. She was a special lady and her children should be proud to call her "MOM". Rest in peace Virginia. Love to all of you.
