

Mr. William F. "Bill" Meola

February 11, 1946 - January 10, 2017

Mr. William F. "Bill" Meola, age 70, passed away from the world that he loved on Tuesday, January 10, 2017 at New York Columbia Presbyterian Hospital after a valiant battle with complications of a liver transplant. His loving family never left his side.

Born in Utica on February 11, 1946, William was the son of the late William G. "Bill" and Rosemary P. (Balsamo) Meola. He was a graduate of T.R. Proctor High School/Class of 1964. He furthered his education at Utica College of Syracuse University where he received a Bachelor of Science degree in Biology. He continued to work towards his Master's degree at SUNY Oswego. Bill married his high school sweetheart, the former Angela M. Fusco, with whom he shared nearly 50 years. They were the love of each other's life and were equally a pillar of strength for one another. Bill and Angela were inseparable and their marriage was an inspiration to their children.

Bill began his career as a science teacher at Notre Dame High School. He subsequently accepted a position with the Utica City School District teaching 7th and 8th grade science at Seymour Grammar School. Bill was a compassionate teacher with inspiring ideas, and he touched the minds and hearts of his students. In 1972, Bill charted a change in his career course which brought him to several insurance and investment companies. He uniquely associated himself with the banking industry and eventually he would establish insurance agencies within the banks. Bill was particularly proud of his affiliation with the Jim Caldwell Insurance Company and the formation of

the Meola Agency within the company where his wife was his “go-to” person. For many years, he taught a New York State Insurance Licensing course as well as continuing education courses.

Bill was a generous, giving man, and if you were his friend, you were golden. He also had strong convictions and many stories. He had an education in all facets of life and a strong work ethic. His handshake was a contract that he honored. He was a good provider and an inspiration to his loved ones. As a dad and poppa, he was the best-of-the -best! He made you feel loved and pampered. He invested all his energy in his children and grandchildren, and his legacy lies within them.

Bill was a true gentleman and a people magnet! He was authentic, motivational, well-versed, optimistic, and energetic. He appreciated good food and good times filled with family and friends. He was proud that he was true to his word, a lost virtue in today’s world. He was politically minded and a staunch Republican involved in local politics. He was always athletic and played sports on a personal level. He knew the game and coached many youth teams. Bill was an “honorary” dad to so many local young people who were blessed by his guidance and remember him to this day. When his granddaughter came along, he came to appreciate the art of ballet, enduring many hours of performances. Bill was a longtime communicant of St. Agnes Church and continued to practice his Catholic faith at St. Anthony & St. Agnes Parish.

Bill is survived by his wife, Angela; his son and daughter-in-law, William A. “Bill” and Jodi Meola of Rome; his daughter and son-in-law, Kara and Craig Stitsinger of Ohio; his grandchildren, Gianna Meola, Ryan & Samantha Smith; Jake Stitsinger, and Marc Stitsinger; and his great-grandchildren, Grace and Cash. He also leaves his siblings, Joseph and his wife Marcia Meola of Iowa, Donna Brutto of Utica, Dan Meola of Syracuse, and Danette Meola of Whitesboro; his nieces, nephews, great-nieces, great-nephews, cousins, aunts and uncles, Joan Velletto, and Sally and Raymond Arcuri; and his in-laws, Patty and Dan Sanders of Rome, and David J. Delaney of Chittenango.

Bill was blessed with his Columbus Avenue family, his Monday Night card buddies, his garage crew, and his “brother”, Mike Macchione, who was by his side from the beginning to the end. He was predeceased by his father-in-law and mother-in-law, Anthony J. and Mary R. Fusco; and his sister-in-law, Regina M. Delaney.

The family extends their appreciation to Dr. Fred Talarico and staff for their support and concern; and to all those who were generous with prayers, gifts, and tokens of love.

Visitation will be held Sunday from 3:00-6:00 at the Eannace Funeral Home, Inc., 932 South St., corner of Hammond Ave. By family request, please omit floral offerings. William’s funeral service and Celebration of Life will commence on Monday morning at 10:30 at St. Anthony & St. Agnes Church where his Mass of Christian Burial will be offered by Rev. Mark Kaminski. Entombment will take place in Christ Our Saviour Mausoleum in Calvary Cemetery at the convenience of the family.

“ Angela and family,

I am in Texas working and was not able to come to the services. Please know how much we all loved him. He stood by me when we were growing up and no one wanted Tony's little sister around. I cherish those memories at the house on Welsh Bush Rd and all the fun we had. Love to you all,

“ I met Mr. Meola when we worked with my father at MVP in the 1990s. He had a personality that was larger than life and one of those people you never forget. Although I was a kid at the time, he always made the time to talk to me and joke with me. A true class act, he will be missed by all that knew him.

“ I first met Bill when he was my Science teacher at Seymour School and periodically kept in touch with him. Over time I lost touch with Bill, but it was a real joy to reconnect with him at Meola's garage some years ago while visiting family in Utica; over the past years I always looked forward to chatting with him and the rest of the crew. My sincere prayer for the repose of his soul, and prayers to the Mother of God that she comfort and bring peace to all his family.

“ *Mrs. M and the entire family words can not express the lose you must feel. I got to know Mr. Meola growing up around Proctor. But my fondest memories will always be when I first came back to the area and work with my dad. Our offices were right down the hall at the GPO building. Mr. M always had a smile and a hot cup of coffee for anyone who needed it. I can not count the number of times I wondered down that hall as a young naïve business person, always to find Mr. M with hot coffee and priceless business advice from a seasoned business veteran. He always made you fell like you knew the answer and he was just helping you find it. Never to judge, but always to guide. Like a fine friend and father figure would. He will be missed but those lessons never forgotten, I still utilize them today. My heart and prayers are with you during this time of grief.*

“ As you pass through life, there are but a few people, other than family, that you will always remember. Bill Meola will be one of my few. I feel sorry for the people that never crossed paths with him, they missed someone special.

We have been friends for almost 60 years. His moving to Columbus Ave completed our neighborhood. Many, many summer nights went by just sitting in his garage and discussing anything from the Yankees, to the grandkids, to anything and everything that came into our heads.

It would be futile to try and capture the words to describe the person he was and what he meant to me. I only wish we had more time together. There was so much more we had to do.

Go in Peace Bill. Go knowing that you left behind many people with many wonderful memories.

“ DEATH IS NOTHING AT ALL
~Henry Scott-Holland~

*Death is nothing at all.
It does not count.
I have only slipped away into the next room.
Nothing has happened.*

*Everything remains exactly as it was.
I am I, and you are you,
and the old life that we lived so fondly together is untouched,
unchanged.
Whatever we were to each other, that we are still.*

*Call me by the old familiar name.
Speak of me in the easy way which you always used.
Put no difference into your tone.
Wear no forced air of solemnity or sorrow.*

*Laugh as we always laughed at the little jokes that we enjoyed
together.
Play, smile, think of me, pray for me.
Let my name be ever the household word that it always was.
Let it be spoken without an effort, without the ghost of a shadow
upon it.*

*Life means all that it ever meant.
It is the same as it ever was.
There is absolute and unbroken continuity.
What is this death but a negligible accident?*

*Why should I be out of mind because I am out of sight?
I am but waiting for you, for an interval,
somewhere very near,
just round the corner.*

*All is well.
Nothing is hurt; nothing is lost.
One brief moment and all will be as it was before.
How we shall laugh at the trouble of parting when we meet again!*

Angela, Bill, Jodi, Kara, Craig and all his beautiful grandchildren,

Words can never express the profound sadness that Bill's passing brings, not only our family, but to so many others as well. Bill was truly a one of a kind friend and neighbor. Unless he was on his way to church, he would never just drive or walk by the house without stopping to check up and see how everyone was doing.

When we moved to this block 24 years ago, the neighborhood kids were grown and our family was just beginning. As our children were growing throughout the years, Bill made sure he looked out for them as they played and walked to school every day. His home was always open to anyone who passed by and both he and Angela were always so warm and welcoming. We will forever cherish the memories we have with Bill and the void he left will never be filled.

He was so proud of his family, and the smile that lit up his face whenever he talked about his beautiful children and grandchildren was just a testament of the wonderful family man he was.

I truly pray it brings each of you peace and comfort to know what an impact and lasting impression your husband, father, and grandfather has left on so many peoples lives.

Bill, may you now reap your eternal reward in heaven. Continue to watch over us all and know that you will never be forgotten and forever loved. Columbus Ave will never be the same without you.

With love, prayers, and our deepest sympathy,

Terri, Nick, Nicole, Maria, & Vinny Panuccio

If I had to sum up my opinion of Bill it would be that he is the epitome of what a true Human Being should be. All of these kid's today should stop looking to professional athletes as hero's and look to people like Bill who every day showed the best that we as Human Beings have to offer. Billy-Bob, Angela, Joe, Donna, Donna, Danette, Danny, extended family. Just heard of Billy's passing. He is with his family, now, he suffered, fought hard, loved his family and lived life to the fullest, with his family first and foremost in his heart, we were fortunate to call him our friend. The many years spent at the Meola home, all the good times, great memories. We know that Jesus promised everlasting life. Billy loved the lord, and attended Mass with his wife Angela. He leaves a void in all our lives. Billy-Bob, you fought the good fight and now have the prize of Christ Jesus in Heaven. We will never forget you.

O Captain! My Captain!

O Captain! my Captain! our fearful trip is done,

The ship has weather'd every rack, the prize we sought is won,

The port is near, the bells I hear, the people all exulting,

O Captain! my Captain! rise up and hear the bells;

Rise up—for you the flag is flung—for you the bugle trills,

For you bouquets and ribbon'd wreaths—for you the shores a-crowding,

For you they call, the swaying mass, their eager faces turning;

The ship is anchor'd safe and sound, its voyage closed and done,

From fearful trip the victor ship comes in with object won;

Exult O shores, and ring O bells!
